## Work History

**April 2014 – Present:** VS Media Inc. (*2 years 9 months*)

Responsible for working with PHP programmers on the continual front end development of the main company site, and several secondary company sites as well as coding from scratch. Developing sites using Bootstrap framework. Also responsible for setting up hundreds of web pages to be fully responsive from large screen resolutions down to mobile widths. Frequently working with PHP Smarty conditionals.

**August 2013 – March 2014:** Shine Dental Corporation (*8 month contract*)

Responsible for the development of several company websites from scratch. All sites were hand-coded using the latest features of HTML and CSS as well as the implementation of JavaScript and jQuery.

**2005 – July 2013:** Website Freelance / Contact Work
